Department of Computer Science

Dated: 15/07/2019

VISITING FACULTY REQUIRED

Following teaching positions on visiting / lecture basis are required for year 2019 (fall and spring semesters 2019), in the Department of Computer Science:

Sr. #	Class	Semester	Subjects	Time
1	MCS 2019-21	1 st	Introduction to ICT	Morning/Evening
			Programming Fundamentals	Morning/Evening
			Discrete Structures	Morning/Evening
			Digital Logic Design	Morning/Evening
			Economics-Univ-Elective-1	Morning/Evening
		2 nd	Operating Systems	Morning/Evening
			Object Oriented Programming	Morning/Evening
			Database Systems	Morning/Evening
			Software Engineering	Morning/Evening
			Theory of Automata	Morning/Evening
2	MCS 2018-20	3 rd	Computer Networks	Morning/Evening
			Data Structures & Algorithms	Morning/Evening
			Comp Organization & Assembly Lang.	Morning/Evening
			Web Engineering-CS-Elective-1	Morning/Evening
			Java Programming-CS-Elective-2	Morning/Evening
		4 th	Design & Analysis of Algorithms	Morning/Evening
			Compiler Construction	Morning/Evening
			Artificial Intelligence	Morning/Evening
			Android Programming-CS-Elective-3	Morning/Evening
3	BSCS 2019-23	1 st	Introduction to ICT	Morning/Evening
			Programming Fundamentals	Morning/Evening
			English Composition & Comprehension	Morning/Evening
			Calculus & Analytical Geometry	Morning/Evening
			Applied Physics	Morning/Evening
		2 nd	Digital Logic Design	Morning/Evening
			Object Oriented Programming	Morning/Evening
			Communication & Presentation Skills	Morning/Evening
			Probability & Statistics	Morning/Evening
			Economics-Univ-Elective-1	Morning/Evening
	BSCS 2018-22	3 rd	Comp Organization & Assembly Lang.	Morning/Evening
			Data Structures & Algorithms	Morning/Evening
			Discrete Structures	Morning/Evening
			Professional Practices	Morning/Evening
			Differential Equations-CS Supporting-1	Morning/Evening

4		4 th	Design & Analysis of Algorithms	Morning/Evening		
			Theory of Automata	Morning/Evening		
			Database Systems	Morning/Evening		
			Linear Algebra	Morning/Evening		
			Economics-Univ-Elective-2	Morning/Evening		
5	BSCS 2017-21	5 th	Computer Communications and Networks	Morning/Evening		
			Human Computer Interaction	Morning/Evening		
			Theory of Automata and Formal Languages	Morning/Evening		
			Computer Architecture	Morning/Evening		
			Web engineering-CS Elective-1	Morning/Evening		
			International Relations-Univ Elective-5	Morning/Evening		
	6 th			Compiler Construction	Morning/Evening	
				Design and Analysis of Algorithms	Morning/Evening	
				Numerical Computing	Morning/Evening	
				Java Programming-CS Elective-2	Morning/Evening	
				Android Programming-CS Elective-3	Morning/Evening	
Psychology-Univ-Elective-6	Morning/Evening					
6	BSCS 2016-20	7 th	Artificial Intelligence	Morning/Evening		
			Cyber Security-CS Elective-4	Morning/Evening		
			Cloud Computing-CS Elective-5	Morning/Evening		
			Data Warehousing-CS Elective-6	Morning/Evening		
			Distributed Computing-CS Elective-7	Morning/Evening		
	8 th	Professional Practices	Morning/Evening			
7	BSIT 2019-23	1 st	Introduction to ICT	Morning/Evening		
			Programming Fundamentals	Morning/Evening		
			English Composition & Comprehension	Morning/Evening		
			Calculus & Analytical Geometry	Morning/Evening		
			Applied Physics	Morning/Evening		
		2 nd			Object Oriented Programming	Morning/Evening
					Communication & Presentation Skills	Morning/Evening
					Operations Research-IT Supporting Course – I	Morning/Evening
					Probability & Statistics	Morning/Evening
					Economics-Uni-Elective-1	Morning/Evening
Psychology-Uni-Elective-2	Morning/Evening					

Applications on plain paper along with all educational documents, CV, CNIC, Experience Letter and all related documents should reach in the office of Department of Computer Science, University of Sahiwal on or before 24-07-2019.

**Dr. Shafiq Hussain,
Incharge,
Department of Computer Science
University of Sahiwal**
